

CDL Medical Card, new or re-certify

Our quick and convenient physical helps commercial drivers fulfill regulatory Department of Transportation requirements. All commercial motor vehicle (CMV) drivers are required to have a Department of Transportation (DOT) Medical Examination every two years.

In virtually all cases we will provide an examination within one work day and will strive to provide a same-day appointment if at all possible. We are also open one Saturday per month.

What to expect at your visit

1. Wear comfortable clothes. Sign in at the front desk. We will supply the required forms, including the DOT Medical Examination Report with “Driver Information” and “Health History” sections included. You will complete your sections at the office.
2. The practitioner will perform an examination, including:
 - a. Review of your health history
 - b. Urine test
 - c. A simple physical exam including height, weight, blood pressure, pulse rate, breathing, eyes, ears, etc.
3. We’ll complete your Medical Examination Report for Commercial Driver Fitness Determination form and a Medical Examiner’s Certificate as appropriate. You will be able to take the completed documents with you.
4. If you need, we can fax the DOT physical form and certificate to your company. We also can send the form to your primary care provider at your request.

Call 508-875-4086 to set up an appointment for your DOT Physical exam.

Payment is \$68.00 and the payment options are cash, or credit/debit card.
